Dear Friends:

We are so grateful for your gift to our 2015 Season of Giving campaign. Your generous contribution in the amount of \$500 will help the Ronald McDonald House of Long Island continue its mission of providing a home-away-from-home for families of seriously ill children.

The last several years have been a time of tremendous growth at the Ronald McDonald House of Long Island. As we continue to strive to elevate our programs and refine our vision for the future, our goal remains simple - bringing comfort to families who depend on the services that we provide in the midst of their child's medical crisis. We do not do this alone and remain grateful to special friends like you for the support you have provided and for being a part of our success through your generosity. As we step into our 30th Anniversary year, we move ahead knowing that we will continue to provide assistance for thousands of families at a most difficult and stressful time in their lives.

Thank you for helping us turn our House into a home-away-from-home for our families each day. Your gift will help provide them with comfort and support to deal with their child's medical needs. On behalf of our families, who benefit most from your support, thank you from the bottom of our hearts.

Warmest regards,

Matthew Campo
President
